SECTOR WORKING GROUPS:

\$2500 - \$5000

- InfraGardNCR, in partnership with the Executive Partnership for Integrated Collaboration (EPIC), manages three national working groups.
 - Commercial Facilities Cyber Working Group
 - Cyber Finance Working Group
 - Data Center Physical Security Working Group
- In addition, EPIC has partnered with us to provide listservers for each sector of the InfraGardNCR membership
- These groups and the sector listservers are the only real-time, peer-to-peer communication capability for InfraGard members.
- Your company's logo will appear on the working group website and will afford your company additional promotion opportunities.
- Logo recognition on chapter website and in weekly e-newsletter, with link to your company
- Opportunity to attend 1 Board of Directors meeting
- Four (4) sponsorship packages available at this level; packages range from \$2500 to \$5000

INFRAGARDNCR WEBINARS:

\$500 EACH

- Each month, InfraGardNCR will host a panel of subject matter experts to address specific infrastructure-related challenges.
- The webinar(s) can be branded with your logo and will provide you with a one minute introduction at the beginning of each session.
- Logo on chapter website and weekly e-newsletter, with link to your company, for one month
- 10 sponsorship packages available at this level

2022 CYBER CAMP:

\$500 - \$5000

- Since 2015, InfraGardNCR has hosted a cyber camp for high schoolers during the summer.
- Each year, the curriculum committee works to provide the most relevant, useful, and educational content to introduce students to the many facets of cybersecurity including programming and digital forensics and typically ends with a Capture-the-flag type activity.
- Logo recognition on chapter website and in weekly e-newsletter, with link to your company
- Packages range from \$500 to \$5000
